**OUR MISSION IS TO LEAD PUBLIC
EDUCATION TO UNPRECEDENTED
LEVELS OF ACADEMIC ACHIEVEMENT
BY FOSTERING A STRONG CHARTER
SCHOOL MOVEMENT.**

Founded in 2004, the National Alliance for Public Charter Schools is the only organization dedicated to advocating for charter schools at the national level, leading robust campaigns for funding and support in the U.S. Congress, working with state leaders across the country to protect charter school autonomy and funding, coordinating interventions to protect charter school rights in the courts, and pushing back on anti-charter narratives spun by our opponents, while bringing to light the true stories of changed lives and brighter futures that charter schools make possible.
